Open Water Course Advanced Open Water Course Specialty Class Course Technical Diving Course

Welcome and thank you for selecting Aquatic Escapes Dive Center for your scuba training!

Diver training courses are meant to be fun, but like any form of learning, you will need to invest some time and effort in reading and studying. This Learning Agreement is between you (the student) and our instructional staff. It defines our mutual responsibilities in this program.

STUDENT RESPONSIBILITIES:

The student agrees to study independently as specified by the instructor. In general, this means the student will:

- Complete the online portion of your class and contact us to schedule your first session if you haven't already done so.
- Prior to your first session – be prepared to be fitted for your assigned scuba equipment and be prepared to purchase scuba mask, snorkel, fins and boots if you haven't already done so (we offer different levels of pricing here).
- Bring all paperwork, bathing suit, towel, mask, fins, snorkel and boots to each class.
- Follow all course procedures as set forth by the instructor.
- Ask any questions about any class-related material not understood or unclear (it's what we're here for).
- Arrive for all sessions on time and prepared for your class **.
- Make sure your instructor is aware of any stress or frustration (both under water and above). It is important to us that you are comfortable and confident.
- Your positive experience and business is important to us, we would appreciate hearing your comments anytime – Mike and Sue.

** If the student arrives at class but has failed to complete the assigned work, the student fails to arrive on time, arrives impaired or if the instructor feels you aren't able to dive, it may be necessary to make up the work and continue the class at a later date. A make-up class will be scheduled between yourself and your instructor. Due to the additional scheduling time of the staff and pool, a makeup fee of \$45.00 will apply.

_____ By initialing, I have read and understand the student responsibilities.
